ARREST OF ELOPERS.

Rev. J. F. Cordova, pastor of the
Methodist Church of South River, N. J.,
and Miss Julia Bowne, the choir singer
of the church, who eloped Monday for
the third time, were captured in Wash-
ington last night, and held as fugitives
from justice. They will be surrendered
to the authorities of New Brunswick,
N. J., at whose request they were
taken into custody, and returned to that
city.

The arrest of the couple was effected
through means of a photograph of the
man, and the numbers of the checks for
the trunks of the couple, and was made
by Detectives Bauer, Barbee and Harri-
gan. They were apprehended at a
boarding-house in Georgetown, where
the couple had just previously en-
gaged accommodations. At first they
denied their identity and declared they
were man and wife, but under close
questioning finally confessed they were
the persons wanted. They steadfastly
maintained, however, that they were
married.

The elopers arrived in Washington
early Tuesday morning and went to the
Mount Vernon Hotel on Pennsylvania
avenue, near Sixth street northwest,
Cordova registered as "C. Jenkins,
Chester, Pa." They remained at the
hotel until yesterday morning, when
they started out to seek accommodations
at a private house. They secured room
and board at the residence of J. Horn,
a grocerman, on Thirty-second street,
near P street northwest, where they were
arrested.

Miss Bowne at first stated emphatically
that Cordova and she were man and
wife. The girl was taken to headquar-
ters and closeted with Capt. Boardman.
She at first declined to say anything.

After much effort, Capt. Boardman
managed to get Miss Bowne to admit
that she was not Cordova's wife, and
that he had another wife and three chil-
dren in South River, N. J. She further
stated that he had supported his wife
and children in New Jersey until two
weeks ago. After her examination,
Capt. Boardman sent Miss Bowne to the
House of Detention.

When first questioned on the subject,
Cordova stated emphatically that he
would not return to New Jersey, with-
out being extradited. After he had
been taken to the police station, how-
ever, he sent a message to Capt. Board-
man to the effect that he would return
immediately, and upon learning of her
companion's decision, the woman ex-
pressed a like willingness to return.

The authorities of New Brunswick
were communicated with by long-dis-
tance telephone, and arrangements were
made to turn the fugitives over to the
New Jersey authorities today. A mes-
sage received last night from New Brun-
swick stated that Cordova is charged with
adultery and embezzlement, having
taken certain funds of the church of
which he was pastor.

A Disappointed Count.

Count Charles de Cini, grandnephew
of the late Pope Leo XIII. arrived in
New York yesterday on the Kaiser Wil-
helm der Grosse, and the first news that
he got on landing was that Miss Eliza-
beth Howe, whose engagement to him
was announced last September, was mar-
ried Tuesday, in Allegheny, to Frank P.
Sprout, the sweetheart of her childhood.
It is reported that the Count was hasten-
ing to these shores in order to annex
Miss Howe and her fortune, which is
estimated at \$10,000,000. He asked for
\$50,000 and an annuity, and the young
woman broke the engagement. It was
then that the Count decided to come to
this country and see if he could not
land the prize, after all. His departure
from Europe was extensively re-
ported, and no secret was made of the
motive of his trip. Miss Howe heard of
it, and decided the best way to show off
the count was to get married. She and
Mr. Sprout, who is a poor young lawyer,
although an estimable young man,
quietly made preparations for their mar-
riage, which took place Tuesday in the
presence of only a few intimate friends.
Mr. and Mrs. Sprout arrived in New
York yesterday about the same time
that the count landed. There is not
much likelihood of their meeting now.
The count looked a bit staggered when
he got the news of the wedding, but
made no comment. Mrs. Sprout is the
daughter of the late Thomas Howe, of
Pittsburg. She is a prominent club
woman, and first met the count while
traveling in Europe, three years ago.
Last year the count was the guest of
Mr. and Mrs. George S. Scott, of New-
port, and there he saw more of Miss
Howe. It was after his visit that the
engagement was announced.

Gopon Warns The Czar.

As was stated yesterday, the Paris
socialist organ Humanite printed and
commented upon two letters reproduced
from the Tribune Russe bearing the
signature of "Georges Gopon," the
name of the Russian priest who led the
workmen toward the imperial palace at
St. Petersburg January 22, resulting
in much bloodshed. The letters appear
to be authentic, although several inter-
views on somewhat similar lines here-
tofore have been discredited.
In the letters the priest says: "Bombs

and strengthening to both the hair and scalp that even
a 25c. bottle of it is often enough to show wonderful im-
provements. It at once imparts a sparkling brilliancy
and velvety softness to the hair, and a few weeks' use
will cause new hair to sprout out all over the scalp, and
grow abundantly, long and beautiful. Use it every day
for awhile, after which two or three times a week will
be enough to complete whatever growth you desire.

NOW at all druggists, in three sizes, 25 cents,

Let go or die. That's the alternative
of the shipwrecked man with the money
bags. A great many people have a like
alternative before them. Business men
come to a point where the doctor tells
them that they must "let go or die."
Probably he advised a sea voyage or
mountain air. There's an obstinate
cough that won't be shaken off. The
lungs are weak and perhaps bleeding.
There is emaciation and other symptoms
of disease, which if unskillfully or improp-
erly treated terminate in consumption.

Thousands of men and women in a like
condition have found complete healing
by the use of Dr. Pierce's Golden Medi-
cal Discovery.

"It gives me pleasure to send you this
testimonial so that some other poor sufferer
may be saved, as I was, by Dr. Pierce's
Golden Medical Discovery," writes Geo. A.
Thompson, of Sheldon Ave., Chatham, Ont.,
Canada. "I had a cough for years, expector-
ated a great deal, and was slowly falling.
Was losing flesh every day. Lost in weight
from 150 pounds down to 125. My flesh got
soft and I had no strength. Did not say any-
thing to any one but made up my mind that
the end was not far off. One day my wife
was reading in the 'Common Sense Medical
Adviser' about Dr. Pierce's Golden Medical
Discovery, and I said, 'that sounds more like
common sense than anything else that I had
heard.' I at once bought a bottle of your
famous remedy and before I had taken half
of one bottle I felt better. Took thirteen
bottles and it made a new man of me. I
gained sixteen pounds and never have had a
cough since. I feel splendid and give all the
credit to your medicine."

Given away. The People's
Common Sense Medical Ad-
viser is sent free on receipt
of stamps to pay expense of
mailing only. The book con-
tains 100 pages, over 700 illus-
trations and several colored
plates. Send 21 one-cent
stamps for the paper-bound
book, or 31 stamps for the
cloth bound. Address Dr.

THE REAL TEST

Of Herpelide Is In Giving It a Thorough Trial.

There is only one test by which to
judge of the efficiency of any article
and that is by its ability to do that
which it is intended to do. Many hair
vigorators may look nice and smell nice,
but the point is—do they eradicate Dan-
druff and stop falling hair?

No, they do not, but Herpelide does,
because it goes to the root of the evil
and kills the germ that attacks the
papilla from whence the hair gets its life.

Letters from prominent people every-
where are daily proving that Newbro's
Herpelide stands the "test of use."

It is a delightful dressing, clear, pure
and free from oil or grease.

Sold by leading druggists. Send 10c. in
stamps for sample to The Herpelide Co.,
Detroit, Mich.
